"WHAT DID THE IATA DO FOR ME?"

In 2018, the IATA worked extensively with the Illinois Departments of Transportation & Revenue, state legislators, the FAA, and our fellow aviation associations to secure Illinois Aviation Funding, notify members in advance of changes to tax forms & procedures, and represent the general aviation community's needs at the Statehouse.

Your support allows us to continue these efforts, remain vigilant in Springfield, and bring in top quality aviation professionals to discuss the latest industry news.

Most importantly, we are here to represent and assist YOU.

Your payment of dues authorizes IATA to send association related information/materials via fax, mail, or email. Due to government regulations, that portion of your dues which is allocated to lobbying activities in Illinois is not deductible. For 2019, this amounts to 10% of membership dues, which would not be deductible as a cost of doing business.
